You are invited to participate in The 2013 IEEE International Conference on Industrial Engineering and Engineering Management – Bangkok, Thailand. The conference will be held from 10-13 December, 2013 at the Swissôtel Le Concorde, Bangkok, Thailand.

IEEM2013 aims to exchange, share and spread the latest theories, research and practices. Original research papers in all areas of industrial engineering and engineering management are welcome. All the submitted papers will be rigorously reviewed.

Bangkok is an exciting destination with much to offer! It is full of activities and a short flight from most Asian cities. As with past meetings, IEEM2013 will be hosted by leading universities in Asia with an expected attendance of 500 researchers, scholars and industry participants from 50 or more countries. With your support, we are confident of exceeding expectation.

Papers on the following topics will be presented in oral and poster sessions:

- Decision Analysis and Methods
- E-Business and E-Commerce
- Engineering Economy and Cost Analysis
- Engineering Education and Training
- Global Manufacturing and Management
- Healthcare Systems and Management
- Human Factors
- Information Processing and Engineering
- Intelligent Systems
- Manufacturing Systems
- Operations Research
- Production Planning and Control
- Project Management
- Quality Control and Management
- Reliability and Maintenance Engineering
- Safety, Security and Risk Management
- Service Innovation and Management
- Supply Chain Management
- Systems Modeling and Simulation
- Technology and Knowledge Management
